New York City, N. Y.

My dear Mr. Plummer:-

Your communication of the 21<sup>st</sup> is just at hand. Indeed and we wish as a Fraternal Rosy Cross body to have full justice done to our Grand Master, Eulis ~~☆~~ - It is a very wise decision on the part of your Society to wait until you have more data as to the great work of Frater Brown -

There has been such a demand upon my personal time in so many directions in closing the earthly work of Frater B. as you well may imagine in working with him since Dec 16-1899 without a break also in his business (factory) and the closing of his personal real estate

// You will understand no doubt that part of our High Council, lived at some great distance and we are waiting even to this hour to get in touch with two of them.

In due time after looking with the Council in full, over some inner papers! Certain data can & will be given as to his work. It is enough to tell you he had one in training to succeed him -

As to dates of some of the others such as Dr. James R. Phelps etc will be sent you later.

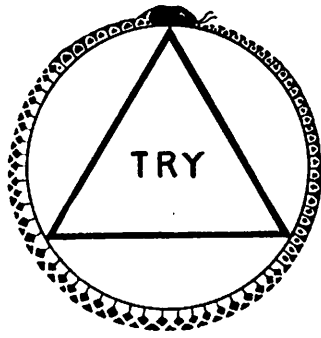

You know our division of the work has always been silent and the work was individual, therefore, we thought little of dates in some cases, but the progression of growth made by the person.

Dr. Gould was a dear personal friend and would have joined our office force a short time before his <sup>was</sup> removal physically. I am enclosing date of Grand Master ship.

P. B. Randolph - 1858 to 1874

F. B. Dowd - 1874 " 1907

E. H. Brown - 1907 " 1922 (he really was acting master from in 1904 -

Fraternity of the Rosy Cross.

as his family barring one son knew nothing of his real life! They have had to lean up on me since the hour of his bodily removal.

Just a few lines as to my personal work in the Rosy Cross Fraternity -

My dear mother trained in in the early part of the year while in the West, under P.B. Randolph (1874) I trained since the year of 1899 under F.B. Dowd, his wife, also the years since that period under our dearly beloved Grand Master Eulis ~~☆~~ - and upon the passing onward of Mrs Dowd, certain papers of value from our High Council, one of ~~which~~ <sup>whom</sup> was Mrs. Dowd came into my keeping. Others of the High Council will vouch for this fact.

Full command of the correspondence, symbols, books and private pictures have been assigned to me to look after.

Mr. Brown, was a man of quiet, peaceful habits, always returning, musical, spoke 3 languages and his "right hand" never knew what the left hand did." Highly respected by all who came in contact with him.

Wife and one son very worldly - fully asleep as to the spiritual beauties in writing his (Mr. E.H.B.) biographical sketch, best also not mention Sister Mrs. Feltow, or Brother George, both religious. - Thus you see our Frater had his heavy Cross - as every inch of spiritual growth was doubly learned under such conditions.

Sincerely

H. J. Saunders
